Step 3. Further fill all required details in next page and click on get started as shown below

The image displays two screenshots of the SendGrid account setup process. The top screenshot shows the 'Tell Us About Yourself' form, which includes fields for First Name, Surname, Company Name, Company Website, Country Code, and Phone Number. The bottom screenshot shows the 'What is your role?' section, where the user can select their role (Developer, Marketer, or Other) and a 'Get it on test!' button is visible.

Step 4. That's it you have created your SendGrid account and got access to dashboard

Output:

Send Grid account created successfully.
